Lean Six Sigma World Conference

Denver, February 11, 2013 – KnowWare International Inc. announces that Jay Arthur has been selected to be an Opening Keynote Speaker at the [2013 Lean Six Sigma World Conference](#). The conference is sponsored by ISO 9000/QMS and will be held February 20 through the 21st at the Hilton San Diego Resort in San Diego, California.

This year's conference is focused on Lean and Six Sigma deployment. The conference will feature presentations by ten leading Lean Six Sigma experts and authors, nine VPs and Executives, over 25 leading organizations, and several experts from such industries as aerospace, manufacturing, banking, IT, military, and healthcare. Some of the topics are use of social media, engaging the employee, Sigma Belt management and training, faster and better design, fun with statistics, and many more topics.

Jay Arthur, who is a business owner and expert on the subject of Lean Six Sigma, will ask the audience: to consider, "Are You a Lean Six Sigma Money Belt?" Jay will show how learning and applying the "Magnificent Seven" "Money Belt" to their arsenal, Tools of Lean Six Sigma, whether they are a mom-and-pop store, an individual, or run a Fortune 500 Company, will help double productivity and them "plug the leaks in their cash flow" and get their business and lives back on track.

Jay Arthur is the author of Lean Six Sigma Demystified, Lean Six Sigma for Hospitals, the Lean Six Sigma System, and the QI Macros SPC Software for Excel.
